Safe Harbor Statement

Except for historical information contained herein, statements made in this release constitute forward-looking statements and thus may involve certain risks and uncertainties. All forward-looking statements made in this release are based on currently available information and the Company assumes no responsibility to update any such forward-looking statements. The following factors, among others, may cause actual results to differ materially from the results suggested in the forward-looking statements. The factors include, but are not limited to the: risk factors described in the Company's annual report on Form 10-K for the fiscal year ended February 28, 2022, and other filings made by the Company from time to time with the SEC. The factors described in such SEC filings include, without limitation: the impact of the COVID-19 outbreak on the Company's results of operations, global supply shortages and logistics costs and delays; cybersecurity risks; risks that may result from changes in the Company's business operations; our ability to keep pace with technological advances; significant competition in the automotive electronics, consumer electronics and biometrics businesses; our relationships with key suppliers and customers; quality and consumer acceptance of newly introduced products; market volatility; non-availability of product; excess inventory; price and product competition; new product introductions; foreign currency fluctuations; and restrictive debt covenants. Many of the foregoing risks and uncertainties are, and will be, exacerbated by the COVID-19 pandemic, the War in the Ukraine and any worsening of the global business and economic environment as a result. The Company assumes no obligation and does not intend to update these forward-looking statements.
