COMPENSATION OF DIRECTORS

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee currently is composed of two outside directors, Gordon Tucker and Irving Halevy.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

TO: THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors which consists entirely of independent outside directors, has furnished the following report on executive compensation.

The Compensation Committee exercises the power and authority of the Board of Directors with respect to the Compensation of the Company's employees. It administers the Company's stock options and restricted stock plans, reviews compensation levels of executive officers and evaluates the performance of the Company's executive officers.

The Company's policy on executive compensation is to provide competitive salaries based on both corporate and individual performance which will attract, motivate and retain executives with superior abilities. The Company does not have any employment agreements with its executive officers.

Corporate performance is evaluated in terms of the attainment of corporate objectives measured by increased revenues from operations and increased stockholders' equity over the prior fiscal year. The

Committee has taken particular note of management's success in maintaining the Company's profitability and negotiating and consummating the public offering of the Company's joint venture, CellStar Corporation.

Individual performance is based upon the performance of each executive officer and the division for which he is responsible. Base salaries for the Company's executive officers are fixed at levels consistent with the competitive amounts paid to senior executives with comparable qualifications at companies engaged in the same or similar businesses. However, certain executive officers compensation, such as Messrs. Christopher, Lavelle and Bagwell, is closely tied to the individual executive's success in achieving financial performance goals within his division. The bonuses paid to Messrs. Christopher, Lavelle and Bagwell for fiscal 1994 were based on the profits achieved in each of their respective divisions. The bonuses paid to Mr. Shalam and Mr. Stoehr for fiscal 1994 were in recognition of their outstanding effort in negotiating and consummating the CellStar public offering and the resultant sale of the Company's shares in CellStar.

The Compensation Committee has fixed the base salary of the Chief Executive Officer based on competitive compensation data, the Committee's assessment of Mr. Shalam's past performance and its expectation as to his future contributions in guiding and directing the Company and its business. In light of Section 162(m) of the Internal Revenue Code, which imposes a limitation on the deductibility of compensation paid to certain executive officers, the Committee has adopted, subject to stockholder approval, a bonus plan for Mr. Shalam which provides for payment of a bonus based on the pre-tax profits of the Company and its subsidiaries. This plan, if approved by the Stockholders, would provide for payment of a performance-based bonus to Mr. Shalam commencing with the fiscal year ending November 30, 1995.

The total cumulative dollar returns shown on the graph represent the value that such investments would have had on November 30, 1994.

PROPOSAL TO APPROVE THE CEO BONUS PLAN

(Item 2 on Proxy Card)

The Compensation Committee of the Board of Directors has adopted a performance based compensation plan for the Company's Chief Executive Officer which provides for payment of a bonus to him at the end of each fiscal year, commencing with the fiscal year ending November 30, 1995 (the "CEO Bonus Plan"). The CEO Bonus Plan is a performance based compensation plan designed to meet the requirements for an exception from the limitations of Section 162(m) of the Internal Revenue Code ["Sec.162(m)], which limits the corporate Federal income tax deduction that would otherwise be available for compensation paid by the Company to certain executive officers, including the Chief Executive Officer, in certain circumstances. The CEO Bonus Plan is now being presented to the stockholders for approval.

ADMINISTRATION OF THE PLAN

The CEO Bonus Plan is administered by the Compensation Committee of the Board of Directors (the "Committee") which is composed entirely of non-employee outside directors of the Company who meet the qualification requirements of Sec.162(m). The Committee has established, prior to the commencement of the fiscal year ended November 30, 1995 a performance goal under the CEO Bonus Plan. The Committee reserves the right to terminate the CEO Bonus Plan at any time or to amend it subject to the requirements of Sec.162(m) and retains the discretion to reduce any payment under the plan even if the performance goal is met.

ELIGIBILITY

Participation in the CEO Bonus Plan is limited to Mr. John J. Shalam, the Chief Executive Officer of the Company.

DETERMINATION OF BONUS

The Chief Executive Officer will be eligible for an annual cash bonus equal to three (3%) percent of the Company's and its subsidiaries' annual pre-tax profits. For purposes of this plan, pre-tax profits shall mean the Company's and its subsidiaries' net profit before extraordinary items, other non-recurring transactions and income taxes of the Company for each fiscal year determined in accordance with generally accepted accounting principles.

The Board of Directors believes that it is in the best interest of the Company and its shareholders to preserve the tax deductibility, under Sec.162(m), of certain compensation paid to the Company's Chief Executive Officer.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE COMPANY'S CEO BONUS PLAN.

RELATIONSHIP WITH INDEPENDENT AUDITORS

The Board has again appointed the firm of KPMG Peat Marwick LLP as independent auditors for the fiscal year ending November 30, 1995. A representative of KPMG Peat Marwick LLP will be present at the Annual Meeting of Stockholders to respond to appropriate questions from stockholders and will have the opportunity to make a statement if he so desires.

OTHER MATTERS

Management does not know of any matters to be presented for action at the meeting other than as set forth in Items 1 and 2 of the Notice of Annual Meeting. However, if any other matters come before the meeting, it is intended that the holders of the proxies will vote thereon in their discretion.
