808 CANZ Wireless Speakers to be Featured Backstage at Teen Choice 2013

HAUPPAUGE, N.Y., Aug. 9, 2013 /PRNewswire/ -- VOXX Accessories Corporation's 808 brand has teamed up with Backstage Creation's Celebrity Retreat to provide a first look at the 808 CANZ during Sunday's Teen Choice 2013.

Celebrities backstage at Teen Choice 2013, including One Direction, Demi Lovato, Rebel Wilson and Liam Hemsworth, will be the first to experience the enormous sound and incredible power of the 808 CANZ, a brand new wireless Bluetooth speaker. Smaller than a soda can, 808 CANZ provide big sound in a little package, with the punchiest sound around via a Bluetooth wireless or a line-in connection.

"The 808 Canz has been engineered to deliver the high performance sound that consumers have come to expect from premium audio products, without the outrageous price. That's what the 808 brand is all about," said David Geise, President of VOXX Accessories Corporation.

808 CANZ provide studio quality sound and intense bass from a tiny, rechargeable, can-shaped speaker. The wireless speaker supports Bluetooth v.21 and also includes a 3.5 audio line input for versatile listening options. With a range of 30 feet and a battery life of 5-6 hours (at a normal volume), CANZ are a convenient option to listen to music anywhere without sacrificing sound quality.

808 CANZ will be available in red, blue and silver this September for \$39.99 from major retailers including Wal*Mart, Sam's Club and Office Depot.

Safe Harbor Statement

Except for historical information contained herein, statements made in this release that would constitute forward-looking statements may involve certain risks and uncertainties. All forward-looking statements made in this release are based on currently available information and the Company assumes no responsibility to update any such forward-looking statement. The following factors, among others, may cause actual results to differ materially from the results suggested in the forward-looking statements. The factors include, but are not limited to risks that may result from changes in the Company's business operations; our ability to keep pace with technological advances; significant competition in the automotive, premium audio and consumer accessories businesses; our relationships with key suppliers and customers; quality and consumer acceptance of newly introduced products; market volatility; non-availability of product; excess inventory; price and product competition; new product introductions; foreign currency fluctuations and concerns regarding the European debt crisis; restrictive debt covenants; the possibility that the review of our prior filings by the SEC may result in changes to our financial statements; and the possibility that stockholders or regulatory authorities may initiate proceedings against VOXX International Corporation and/or our officers and directors as a result of any restatements. Risk factors associated with our business, including some of the facts set forth herein, are detailed in the Company's Form 10-K for the fiscal year ended February 28, 2013.
