Acoustic Research Introduces Exclusive "Performance Series" Earbuds for Amazon.com

Line will consist of 3 unique metal styled earbuds

HAUPPAUGE, N.Y., June 12, 2013 /PRNewswire/ -- Acoustic Research® (AR) announced today that they will be introducing a brand line exclusive, "Performance Series" earbud lineup for Amazon.com; the [HP1000](#), [HP1020](#) and the [HP1030](#). These unique styled earbuds consist of a metal housing for long-lasting use, high quality audio with gold plated sound, coated metallic cable (HP1020 and HP1030 Only) and in-line mic and music control for seamless transfer from music to talk with a push of the button (HP1030 only), and a complete travel case with extra ear tips for all three models. These earbuds work great with a variety of tablets, MP3 players, Laptops, Notebooks, and Desktops and are available now on Amazon.com with an MSRP of \$39.99 to \$99.99.

"The AR Performance Series exclusive line of earbuds, are the newest offering from AR to appease the music lover in all of us. With a sleek design, ergonomic fit and incredible price, these earbuds deliver all the features and quality sound that consumers have come to expect from Acoustic Research," said David Geise, President of VOXX Accessories Corporation. "Amazon.com is one of the internet's leading online retailers out there and being able to provide them with a high-quality exclusive earbud line was a decision we didn't have to think about making. We are excited for the opportunity to provide Amazon with a quality product we know consumers are going to love."

- The [HP1000](#) features a metal housing design that provides a truly optimized acoustic response verses a standard plastic structure which also has a tendency to smash or crack over long periods of use. These earbuds also come with gold plated 3.5mm aux in connectors which deliver enhanced audio with reduced noise for the best listening experience as well as a durable zip-up carrying case with extra silicone tips – perfect for on the go. MSRP: \$39.99
- The [HP1020](#) features a metal housing, 3.5mm gold plated aux connector, travel case with extra tips as well as a durable metallic coated cable for increased durability and quality sound. This cable is tangle free so it won't knot-up when stored in a pocket or bag. MSRP: \$79.99
- The [HP1030](#) features a metal housing, 3.5mm gold plated aux connector, travel case with extra tips, a durable metallic coated cable and an in-line mic and music control which allows you to control your music and calling experience with a just a few clicks of a button. MSRP: \$99.99
