Audiovox to Present at the B. Riley & Co. 12th Annual Investor Conference

HAUPPAUGE, N.Y., May 13, 2011 /PRNewswire via COMTEX/ --

Audiovox Corporation (NASDAQ: VOXX), announced today that Patrick Lavelle, President and Chief Executive Officer, will be presenting at the B. Riley & Co. 12th Annual Investor Conference. The event will be held May 23rd-25th, at the Loews Santa Monica Beach Hotel in Santa Monica, California and Audiovox will be presenting on Wednesday, May 25th at 8:30 a.m. (Pacific).

This prestigious two-day, invitation-only annual event, brings together a targeted audience of leading institutional investors, financial services professionals and other qualified investors. The conference will feature presentations by approximately 150 companies in a diverse range of industries and sectors including: semiconductors, communications equipment, commercial banks, apparel and retail, energy, defense, movies and entertainment, business services, personal/leisure products, research and consulting services, biotech and healthcare.

For more information on the conference, the most current list of presenting companies, or registration information, please visit www.brileyco.com. Additionally, registered conference attendees may request a 1-on-1 meeting with Chairman John Shalam, President and CEO Pat Lavelle and SVP/CFO, Michael Stoehr by visiting the B. Riley conference website at <http://www.brileyco.com/conference>.

For those who will not be in attendance, a live webcast will be available on the Company's website, <http://www.audiovox.com> under the investor relations section.

About Audiovox

Audiovox is a recognized leader in the marketing of automotive entertainment, vehicle security and remote start systems, consumer electronics products and consumer electronics accessories. The company is number one in mobile video and places in the top ten of almost every category that it sells. Among the lines marketed by Audiovox are its mobile electronics products including mobile video systems, auto sound systems including satellite radio, vehicle security and remote start systems; consumer electronics products such as MP3 players, digital camcorders, DVRs, Internet radios, clock radios, portable DVD players, multimedia products like digital picture frames and home and portable stereos; consumer electronics accessories such as indoor/outdoor antennas, connectivity products, headphones, speakers, wireless solutions, remote controls, power & surge protectors and media cleaning & storage devices; Energizer®-branded products for rechargeable batteries and battery packs for camcorders, cordless phones, digital cameras and DVD players, as well as for power supply systems, automatic voltage regulators and surge protectors. The company markets its products through an extensive distribution network that includes power retailers, 12-volt specialists, mass merchandisers and an OE sales group. The company markets products under the Audiovox, Klipsch, RCA, Jensen, Acoustic Research, Energizer, Advent, Code Alarm, TERK, Prestige and SURFACE brands. Safe Harbor Statement

Except for historical information contained herein, statements made in this release that would constitute forward-looking statements may involve certain risks and uncertainties. All forward-looking statements made in this release are based on currently available information and the Company assumes no responsibility to update any such forward-looking statement. The following factors, among others, may cause actual results to differ materially from the results suggested in the forward-looking statements. The factors include, but are not limited to risks that may result from changes in the Company's business operations; our ability to keep pace with technological advances; significant competition in the mobile and consumer electronics businesses as well as the accessories business; our relationships with key suppliers and customers; quality and consumer acceptance of newly introduced products; market volatility; non-availability of product; excess inventory; price and product competition; new product introductions; the possibility that the review of our prior filings by the SEC may result in changes to our financial statements; and the possibility that stockholders or regulatory authorities may initiate proceedings against Audiovox and/or our officers and directors as a result of any restatements. Risk factors associated with our business, including some of the facts set forth herein, are detailed in the Company's Form 10-K for the fiscal year ended February 28, 2010.
