As of February 28, 2002 the amount outstanding was \$655,790. THE BOARD OF DIRECTORS AND COMMITTEES

BOARD OF DIRECTORS

The Board of Directors has an Executive Committee, an Audit Committee and a Compensation Committee but does not have a standing nominating committee. The Board of Directors held four meetings and acted by Consent four times during the fiscal year ended November 30, 2001. All incumbent directors attended 75% or more of the aggregate number of Board and related committee meetings during the year. Directors who are not our employees receive an annual fee of \$15,000 and a fee of \$500 for each meeting attended.

EXECUTIVE COMMITTEE

The Executive Committee which held no meetings during fiscal 2001, consisted of five members, namely, John J. Shalam, Philip Christopher, Charles M. Stoehr, Paul C. Kreuch, Jr. and Dennis F.

McManus. The primary function of the Executive Committee is to act upon matters when the Board is not in session. The Committee has full power and authority of the Board in the management and conduct of the business and affairs of the Company.

AUDIT COMMITTEE

The Audit Committee, which held five meetings in fiscal 2001, consists of three members, namely, Paul C. Kreuch, Jr., Dennis F. McManus and Irving Halevy. The Board of Directors has determined that each of the three members is independent and able to read and understand fundamental financial statements in accordance with the rules of the National Association of Securities Dealers ("NASD"). The Board of Directors has also determined that at least one member of the audit committee has past employment experience in finance or accounting. The functions of the Audit Committee are described below under the heading Audit Committee Report.

COMPENSATION COMMITTEE

The Compensation Committee, which held two meetings in fiscal 2001, consisted of two members, namely, Messrs. Kreuch and McManus. The Compensation Committee recommends to the Board of Directors remuneration arrangements for senior management and the directors, approves and administers other compensation plans, including the profit sharing plan of the Company, in which officers, directors and employees participate.

AUDIT COMMITTEE REPORT

The following Audit Committee Report does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. Management is responsible for the Company's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

During fiscal 2000, the Audit Committee developed a charter, which was approved by the Board of Directors. The Charter, which reflects standards set forth in new SEC regulations, recognizes five broad areas of Audit Committee responsibility:

- o review quarterly and annual financial reports;
- o supervise relationship between Audiovox and independent accountants;
- o review Audiovox's financial reporting processes;
- o review and propose improvements to the financial reporting process; and,
- o review ethical and legal compliance matters.

In connection with these responsibilities, the Audit Committee met with management and the Company's independent auditors, KPMG LLP, to review and discuss all financial statements included in the Company's quarterly and annual reports for the fiscal year ended November 30, 2001 (the "Financial Statements") prior to their issuance and to discuss significant accounting issues. Management has advised us that the Financial Statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the Financial Statements with both management and the independent auditors. Our review included discussions with the independent auditors of matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee also received written disclosures from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Finally, the Audit Committee continued to monitor the integrity of the Company's financial reporting processes and its internal procedures and controls.

Based upon the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2001, for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following Compensation Committee Report on Executive Compensation and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.

RESPONSIBILITIES OF THE COMMITTEE

The Compensation Committee of the Board of Directors, which consists entirely of outside directors, reviews and approves compensation for Audiovox's executive officers and oversees and administers Audiovox's stock option and restricted stock plans. The Compensation Committee recommends compensation for the Chief Executive Officer subject to the Board of Directors approval of such recommendations. The Chief Executive Officer submits recommended compensation levels for other executive officers of Audiovox to the Compensation Committee for its review and approval. All such recommendations are subject to approval or disapproval by the Compensation Committee. The Compensation Committee then submits its recommendations to the full Board of Directors for its consideration. The Compensation Committee of the Board of Directors has furnished the following report on executive compensation for fiscal 2001.

WHAT IS AUDIOVOX'S PHILOSOPHY OF EXECUTIVE OFFICER COMPENSATION?

Audiovox's executive compensation policies and programs are designed to attract and retain talented executives and motivate them to achieve business objectives that will enhance stockholder value. Audiovox's compensation program for executives consists of three key elements:

- o a base salary,
- o a performance-based annual bonus, and
- o periodic grants of stock options.

This approach to executive compensation enables Audiovox to attract and retain executives of outstanding ability while ensuring that our executives' compensation advances the interests of our shareholders. Consequently, a large proportion of their compensation, the annual bonus, is dependent in significant part on Audiovox's performance. Audiovox does not have employment agreements with any of its executive officers.

BASE SALARY

Salaries for the executive officers are designed to attract and retain qualified and dedicated executive officers. Annually, the Committee reviews salary recommendations made by Audiovox's Chief Executive Officer, and evaluates individual responsibility levels, performance and length of service. Base salaries for Audiovox's executive officers are fixed at levels commensurate with the competitive amounts paid to senior executives with comparable qualifications at companies engaged in the same or similar businesses.

ANNUAL BONUS

Bonus compensation provides Audiovox with a means of rewarding performance based upon attainment of corporate profitability during the fiscal year. For fiscal 2001, the Compensation Committee established bonus compensation formulas for its executives based upon the pre-tax earnings of the Company. The annual bonus paid to Mr. Lavelle is based upon the achievement of fiscal goals within his respective division.

STOCK OPTIONS

During fiscal 2001, no stock options were granted to the Company's employees, including the Company's executive officers.

HOW IS THE CHIEF EXECUTIVE OFFICER COMPENSATED?

The Compensation Committee has fixed the base salary of the Chief Executive Officer based on competitive compensation data, the Committee's assessment of Mr. Shalam's past performance and its expectation as to his future contributions in guiding and directing Audiovox and its business. Mr. Shalam's bonus for fiscal 2001 was calculated on Audiovox's pre-income tax profit before extraordinary items, other non-recurring transactions and income taxes of the Company in accordance with Audiovox's Executive Officer Bonus Plan that was approved by the shareholders in 2001.

HOW IS AUDIOVOX ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met. The Compensation Committee currently intends to structure performance-based compensation, including stock option grants and annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies those requirements.

The Board and the Compensation Committee reserve the authority to award non-deductible compensation in other circumstances as they deem appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding the Company's efforts, that compensation intended by the Company to satisfy the requirements for deductibility under Section 162(m) does in fact do so.
