ITEM 8.01 OTHER EVENTS

On May 11th, 2006, Audiovox Corporation received a letter from the Federal
Communications commission (FCC) stating that its Office of Engineering and
Technology Laboratory (OET) has tested the Audiovox Xpress Model XMCK10 and has
determined that the transmitter is not in compliance with either the operating
bandwidth specifications contained in Section 15.239(a) of the Commission's
Rules, 47 C.F.R. or the related emission limits of Section 15.239(b), 47 C.F.R.
The letter seeks information from Audiovox regarding the testing, emissions and
other matters relating to this transmitter. We are conducting an internal review
and we are suspending shipments of this unit until it is determined that it
operates within FCC specifications.

The information furnished under Item 8.01 shall not be deemed to be filed for
the purposes of Section 18 of the Securities Exchange Act of 1934, as amended,
and will not be incorporated by reference into any registration statement filed
under the Securities Act of 1933, as amended, unless specifically identified
therein as being incorporated therein by reference.
